

LORI APON
President and Founder,
Perspective Ministries

Lori's

greatest desire was to be a wife and mother. The Lord blessed her marriage with eight children in ten years while the enemy made plans to “kill, steal, and destroy.” Trials came and tragedy struck through the suicide death of her beloved husband leaving her a young widow raising fatherless children.

Psalm 68:5, “I am a Defender of the widow and Father to the fatherless,” became the anchor promise that shaped their perspective in the midst of suffering. God has faithfully proved that He comes to give “life abundant.”

Lori has devoted her life to mentoring, discipling, and ministering to women. Perspective Ministries was born out of her calling to meet the practical, emotional, and spiritual needs of the widow and fatherless equipping the church and community to do the same. She is a speaker, writer, and podcaster but more than that, passionate about encouraging women who have been left alone and children without an earthly dad to put their trust in God.
