

Throughout scripture God encourages us to take time to remember in order to tell the next generation of His faithfulness! I can't think of a better way to end 2020 than by looking back with thanksgiving and recording the ways God has been faithful:

- 80 new donors chose to partner with Perspective Ministries in fulfilling James 1:27.
- The initial phase of fulfilling our 2021 goal of offering widow-to-widow mentoring is complete with the certification of Stephen Ministries.
- Everpresent Help is ready for the next phase of development.

“Great is the LORD, and highly to be praised, and His greatness is unsearchable. One generation shall praise Your works to another and shall declare Your mighty acts. On the glorious splendor of Your majesty and on Your wonderful works, I will meditate.” Psalm 145:3-5

“I cannot begin to tell you how much your gifts and encouragement have helped me in so many ways... the books, sweet handkerchief, and the plush blanket has felt great on these cold wintry nights as I sit on the love seat alone.”

-Polly

“Thanks to you for all you do for widows! That blanket you gave me a few months ago is so nice and warm. It’s also a constant reminder that someone cares.”

-Matilda

## Happy New Year!

Reflection and remembering is a good practice encouraged in God’s Word.

**“Remember His wonderful deeds which He has done, His marvels and the judgments from His mouth...” -1 Chronicles 16:12**

Looking back on 2020 brings great joy as we remember you with thanksgiving. Your partnership with Perspective Ministries has allowed us to meet the practical, emotional, and spiritual needs of the widow and fatherless.

When the country closed down, ministry opened up in a new and different way offering much needed support to hurting widows through WidowLife Online.

We met emotional needs by remembering the widow on tender days. Celebrating special days, delivering flower bouquets to widows on their Remembrance Days, and sending cards offering hope throughout the year provide opportunities to direct her focus to God.

We met practical auto needs by providing tires and a car to a young widow needing reliable transportation. Homes were maintained through plumbing repairs, rodent extermination, and gutter cleaning. A highlight this year was watching God connect a skilled volunteer with a family in need of tutoring in the midst of the challenges of virtual learning. God promises to be a defender of the widow and father to the fatherless (*Psalms 68:5*). And He promises to accomplish what concerns us (*Psalms 138:8*).

***Wrap-around care of the widow and her fatherless children doesn’t happen without YOU.***

Thank you for your continued support into 2021. We believe our greatest days are ahead!
