My son found a friend at the Mom and Man event who understands! He has not opened up since his dad died by suicide and it was good for him to meet another boy with the same loss.

## Evangelism

The hope of the Gospel and God's faithfulness is shared with as many widows and fatherless children as possible through every ministry touchpoint, encouraging them to put their trust in God.

“

Last Christmas you gifted me with a One Year Life Principle Bible. This was the best gift ever! Through all of the emotions that holidays bring, I am excited to let you know that I finished reading through the Bible in 2023!

*Dear friends,*

I once heard it said, that encouragement is putting courage in, and the best encouragers are those who walk in when others walk out. I want to be there for the widow and fatherless when their community as they knew it changes and they feel alone. My personal passion is to remind them that they have not been forsaken by God. In fact, He promises to be the Defender of the widow and Father to the fatherless (Psalm 68:5).

Encouragement is at the forefront of my mind in everything we do. We want the widow to feel seen, understood, and challenged to move forward courageously while putting her trust in God.

**In 2023 God allowed us to meet our financial goal thanks to the support of many who gave sacrificially and generously!**

**We were humbled and honored to serve the Lord in these ways:**

- Nearly a 45% increase in widows served
- The number of fatherless children encouraged was doubled
- 47 states and 61 countries were reached around the world

I am personally encouraged when a widow, like Deanna, takes the time to express her appreciation.

Thank you for continuing to stand with us as we uplift the hearts of the widow and fatherless!

“The box has brought me such comfort. The feathers in the magazine fell out and I cried and cried. The ‘He covers me’ print sits on my desk at work (I tucked the feathers in too). I enjoyed the WidowLife Magazine. I try to read a devotion from Hope for the Aching Heart each day. The blanket reminds me there are others who have walked the path of widowhood and that I am not alone. God bless you, Perspective Ministries.”
